## TARO PROVIDES RESULTS FOR THE QUARTER ENDED JUNE 30, 2022

Hawthorne, NY, July 27, 2022 - Taro Pharmaceutical Industries Ltd. (NYSE: TARO) ("Taro" or the "Company") today provided unaudited financial results for the quarter ended June 30, 2022.

## Quarter ended June 30, 2022\* Highlights – compared to June 30, 2021

- Net sales increased \$9.6 million, or 6.5%, to \$156.7 million.
- Gross profit of \$81.6 million (52.1% of net sales) compared to \$77.7 million (52.8% of net sales).
- Research and development (R&D) expenses of \$11.5 million decreased \$1.4 million.
- Selling, marketing, general and administrative expenses of \$56.1 million increased \$32.1 million.
- Operating income of \$14.0 million (8.9% of net sales) compared to an operating loss of \$(19.2) million. Excluding the settlement and loss contingencies charges in the prior year quarter, operating income was \$40.8 million (27.7% of net sales).
- Interest and other financial income of \$1.9 million decreased \$1.1 million.
- Tax expense of \$2.0 million compared to \$2.7 million in the prior year quarter. Excluding the impact from the settlement and loss contingencies charges in the prior year quarter, the effective tax rate for the quarter was 12.3% as compared to 6.1% in the prior year quarter.
- Net income attributable to Taro was \$14.1 million compared to net loss of \$(18.8) million, resulting in earnings per share of \$(0.57) compared to (loss) per share of \$(0.50). Excluding the impact from the settlement and loss contingencies charges in the prior year quarter, net income was \$41.2 million, resulting in earnings per share of \$1.09.

### **Cash Flow and Balance Sheet Highlights**

- Cash flow used in operations for the quarter ended June 30, 2022, was \$58.0 million. Excluding the impact from the settlement and loss contingencies charges, cash flow provided by operations was \$9.6 million compared to \$44.0 million for the quarter ended June 30, 2021.
- As of June 30, 2022, cash and cash equivalents and marketable securities (both short- and long-term) decreased \$74.7 million to \$1.18 billion from March 31, 2022; principally the result of a \$67.6 million settlement payment to the Direct Purchaser Plaintiff ("DPP") class in the In re: Generic Drug Pricing Antitrust Litigation, MDL No. 2724.

Mr. Uday Baldota, Taro's CEO, stated, "While we maintain the leading market position of many of our products, we continue to face an overall market trend, particularly in the U.S, that is not dramatically changing, and depending on the product, price deflation continues to be a challenge. With input costs rising sharply, we will continue to allocate increasing amounts of capital including R&D efforts into growth and profitable businesses and new businesses opportunities".

## \* The June 30, 2022 results include three month's results from the February 28<sup>th</sup> acquisition of Alchemee.

## **FDA Approvals and Filings**

The Company recently received approvals from the U.S. Food and Drug Administration ("FDA") for the Abbreviated New Drug Application ("ANDA") Fluphenazine Tablets 1mg, 2.5mg, 5mg, 10mg. The Company currently has a total of eighteen ANDAs awaiting FDA approval, including four tentative approvals.

## **Generic Drug Pricing Antitrust Litigation MDL No. 2724**

On November 4, 2021, a settlement was reached with the putative DPP, a putative class generally comprised of wholesalers and distributors that purchased generic drug products from manufacturers. On May 11, 2022, the Court granted preliminary approval of Taro's settlement with the DPP class. As a result, on June 8, 2022, within the required time period, Taro made a \$67.6 million settlement payment to the DPP class plaintiffs, subject to a reduction of up to \$8.0 million depending on the volume of certain class members that may opt-out of the settlement.

The Company cautions that the foregoing 2022 financial information (including Alchemee) is unaudited and is subject to change.

#### SAFE HARBOR STATEMENT

The unaudited consolidated financial statements have been prepared on the same basis as the annual consolidated financial statements and, in the opinion of management, reflect all adjustments necessary to present fairly the financial condition and results of operations of the Company. The unaudited consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements included in the Company's Annual Report on Form 20-F, as filed with the SEC.

Certain statements in this release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements that do not describe historical facts or that refer or relate to events or circumstances the Company "estimates," "believes," or "expects" to happen or similar language, and statements with respect to the Company's financial performance, availability of financial information, and estimates of financial results and information for fiscal year 2023. Although the Company believes the expectations reflected in such forward-looking statements to be based on reasonable assumptions, it can give no assurances that its expectations will be attained. Factors that could cause actual results to differ include general domestic and international economic conditions, industry and market conditions, changes in the Company's financial position, litigation brought by any party in any court in Israel, the United States, or any country in which Taro operates, regulatory and legislative actions in the countries in which Taro operates, and other risks detailed from time to time in the Company's SEC reports, including its Annual Reports on Form 20-F. Forward-looking statements are applicable only as of the date on which they are made. The Company undertakes no obligations to update, change or revise any forward-looking statement, whether as a result of new information, additional or subsequent developments or otherwise.
