Executive officers, directors and control persons of reporting persons:

(a-f): The name, residence or business address, and the principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted, of each executive officer and director and each controlling person, if any, of the reporting persons named above is set forth in Exhibit A hereto. To the best knowledge of the persons listed in Item 2 hereof, each person listed on Exhibit A is a United States citizen except where otherwise noted and, during the last five years, no person listed in Exhibit A (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The securities reported herein were acquired with funds of approximately \$68.3 million (including brokerage commissions). All such funds were provided from investment capital of one or more open- or closed-end investment companies or other managed accounts which are managed by TAML, Franklin Templeton Portfolio Advisors, Inc. and Franklin Advisers, Inc. (the “Investment Management Subsidiaries”), each of which is a direct or indirect, wholly-owned subsidiary of FRI.

Item 4. Purpose of Transaction

The Investment Management Subsidiaries purchased the Ordinary Shares for their investment management clients for the purpose of investment. All such purchases were made in the open market in the ordinary course of the Investment Management Subsidiaries’ business. None of the Investment Management Subsidiaries, and none of any of the other reporting persons to this Schedule 13D, currently has any plans or proposals that relate to or would result in any of the actions described in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D. However, TAML is concerned with the effect on the value of its investment management clients’ investment in the Issuer of the Issuer’s failure to timely file its financial statements for the fiscal year ended December 31, 2005 and of the Staff Determination, received by the Issuer on July 19, 2006, from the Listing Qualifications Department of The Nasdaq Stock Market with regard to the possible delisting of the Ordinary Shares from The Nasdaq Global Select Market. The explanations publicly announced by the Issuer for its failure to file the financial statements did not allay these concerns. Accordingly, TAML, together with the other reporting persons hereto, determined to file this Schedule 13D to provide TAML flexibility in order to explore appropriate action it, alone or together with other shareholders in the Issuer, could take to better evaluate and ultimately rectify their concerns. Such actions may include engaging in discussions with the Issuer, members of its Board of Directors, its officers, shareholders and others.

The Investment Management Subsidiaries’ investment management clients may in the

future acquire additional shares of Ordinary Shares or other securities of the Issuer, in the open market, in privately-negotiated purchases or otherwise, and may also, depending upon then-current circumstances, dispose of all or a portion of the Ordinary Shares owned by their investment management clients in one or more transactions. Additionally, the Investment Management Subsidiaries' investment management clients reserve the right to exercise any and all of their respective rights as a stockholder of the Issuer in a manner consistent with their equity interests and reserve the right from time to time to formulate plans or proposals regarding the Issuer or any of its securities, including without limitation to carry out any of the actions or transactions described in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D, to the extent deemed advisable by the Investment Management Subsidiaries.

Item 5. Interest in Securities of the Issuer

(a-b) The 4,892,638 shares of Ordinary Shares of the Issuer (the "Securities"), representing 16.8% of the outstanding Ordinary Shares, are beneficially owned by one or more open- or closed-end investment companies or other managed accounts that are investment management clients of the Investment Management Subsidiaries (the "Investment Management Clients"). Investment management contracts grant to the Investment Management Subsidiaries all investment and/or voting power over the securities owned by such Investment Management Clients, except as otherwise disclosed below. Therefore, for purposes of Rule 13d-3 under the Act, the Investment Management Subsidiaries may be deemed to be the beneficial owners of the Securities.

Beneficial ownership by investment management subsidiaries and other affiliates of FRI is being reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as FRI, where related entities exercise voting and investment powers over the securities being reported independently from each other. The voting and investment powers held by Franklin Mutual Advisers, LLC ("FMA"), an indirect wholly-owned investment management subsidiary of FRI, are exercised independently from FRI and from all other investment management subsidiaries of FRI (FRI, its affiliates and the investment management subsidiaries other than FMA are, collectively, "FRI affiliates"). Furthermore, internal policies and procedures of FMA and FRI establish informational barriers that prevent the flow between FMA and the FRI affiliates of information that relates to the voting and investment powers over the securities owned by their respective investment management clients. Consequently, FMA and the FRI affiliates report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Act.

The Principal Shareholders each own in excess of 10% of the outstanding common stock of FRI and are the principal stockholders of FRI. FRI and the Principal Shareholders may be deemed to be, for purposes of Rule 13d-3 under the Act, the beneficial owners of securities held by persons and entities for whom or for which FRI subsidiaries provide investment management services. The number of shares that may be deemed to be beneficially owned and the percentage of the class of which such shares are a part are

reported in Items 11 and 13 of the cover pages for FRI and each of the Principal Shareholders. FRI, the Principal Shareholders and each of the Investment Management Subsidiaries disclaim any pecuniary interest in any of the Securities. In addition, the filing of this Schedule 13D on behalf of the Principal Shareholders, FRI and FRI affiliates, as applicable, should not be construed as an admission that any of them is, and each disclaims that it is, the beneficial owner, as defined in Rule 13d-3, of any of the Securities.

FRI, the Principal Shareholders, and each of the Investment Management Subsidiaries believe that they are not a “group” within the meaning of Rule 13d-5 under the Act and that they are not otherwise required to attribute to each other the beneficial ownership of the Securities held by any of them or by any persons or entities for whom or for which FRI subsidiaries provide investment management services.

The number of Ordinary Shares as to which each reporting person on this Schedule 13D and other Investment Management Subsidiaries has:

(i) Sole power to vote or to direct the vote of the Ordinary Shares:

^[1] Franklin Templeton Portfolio Advisors, Inc. (“FTPA”) may beneficially own these securities pursuant to various separately managed account investment management arrangements. Under these arrangements, underlying clients may, from time to time, delegate to FTPA the power to vote such securities. To the extent that FTPA has voting power over any such securities, it has sole voting power. To the extent that the underlying client retains voting power over any securities, FTPA disclaims any power to vote or direct the vote of such securities.

(iv) Shared power to dispose or to direct the disposition of the Ordinary Shares:

0

(c) Other than the transactions described in Exhibit B of this statement, none of the reporting persons nor, to the best of their knowledge, any of the persons listed in Exhibit A, have effected any transactions in the Ordinary Shares during the 60-day period preceding the date this statement was filed.

(d) No person other than the respective Investment Management Clients is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities being reported herein. Templeton Developing Markets Trust, an investment company registered under the Investment Company Act of 1940 and an Investment Management Client of TAML, has an interest in 1,555,323 Ordinary Shares, or 5.3%, of the class of securities reported herein.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than as disclosed above, no persons named in Item 2 herein, nor to the best of such person's knowledge, no person named in Exhibit A hereto, has any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finders' fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
