TARO ANNOUNCES COMMENCEMENT OF TENDER OFFER TO REPURCHASE UP TO \$225 MILLION IN VALUE OF ITS ORDINARY SHARES

HAWTHORNE, NY, November 15, 2019 -- Taro Pharmaceutical Industries Ltd. (NYSE: TARO) (“Taro” or the “Company”) announced today that it has commenced a modified “Dutch auction” tender offer to repurchase up to \$225 million in value of its ordinary shares at a price not greater than \$92.00 per share nor less than \$80.00 per share, to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase and Letter of Transmittal that are being distributed to shareholders (the “Offer”). If the Offer is fully subscribed, the number of shares to be purchased in the Offer represents approximately 6.3% to 7.3% of Taro’s currently issued and outstanding shares depending on the purchase price payable for those shares pursuant to the Offer. The NYSE closing price of the shares on November 14, 2019, the last full trading day before today’s announcement and commencement of this Offer, was \$76.22 per share.

The Offer will expire at 5:00 p.m., New York City time, on Monday, December 16, 2019, unless extended by Taro. Tenders of shares must be made prior to the expiration of the Offer and may be withdrawn at any time prior to the expiration of the Offer. The Offer will not be conditioned upon any minimum number of shares being tendered; however, the Offer is subject to a number of terms and conditions described in the Offer to Purchase.

Tendering shareholders may specify a price not greater than \$92.00 per share nor less than \$80.00 per share (in increments of \$0.50) at which they are willing to sell their shares pursuant to the Offer. On the terms and subject to the conditions of the Offer, the Company will designate a single per share price that the Company will pay for shares properly tendered and not properly withdrawn from the Offer, taking into account the total number of shares tendered and the prices specified by tendering shareholders. The Company will select the lowest purchase price, not greater than \$92.00 per share nor less than \$80.00 per share, that will allow it to purchase shares having an aggregate purchase price of \$225 million, or a lower amount depending on the number of shares properly tendered and not properly withdrawn (such purchase price, the “Final Purchase Price”). Only shares validly tendered at prices at or below the Final Purchase Price, and not properly withdrawn, will be eligible for purchase in the Offer. All shares acquired in the Offer will be acquired at the Final Purchase Price, including those shares tendered at a price lower than the Final Purchase Price. However, due to the “odd lot” priority, proration and conditional tender offer provisions described in the Offer to Purchase, all of the shares tendered may not be purchased if the number of shares properly tendered at or below the Final Purchase Price and not properly withdrawn have an aggregate value in excess of \$225 million (based on the Final Purchase Price).

The Company will purchase only those shares properly tendered and not properly withdrawn upon the terms and conditions of the Offer. All shares accepted for payment will be paid promptly after the expiration of the Offer period, to the seller in cash, less any applicable withholding taxes and without interest. At the maximum Final Purchase Price of \$92.00 per share, the Company would purchase 2,445,652 shares if the Offer is fully subscribed, which would represent approximately 6.3% of the issued and outstanding shares as of November 14, 2019. At the minimum Final Purchase Price of \$80.00 per share, the Company would purchase 2,812,500 shares if the Offer is fully subscribed, which would represent approximately 7.3% of the issued and outstanding shares as of November 14, 2019.

Shares not purchased in the Offer will be returned at the Company's expense promptly following the expiration of the Offer. The Company reserves the right, in its sole discretion, to change the per share purchase price options and to increase or decrease the aggregate value of shares sought in the Offer, subject to applicable law. In accordance with the rules of the U.S. Securities and Exchange Commission ("SEC"), the Company may purchase in the Offer up to an additional 2% of its outstanding shares without amending or extending the Offer.

As of October 31, 2019, Taro had approximately \$1.5 billion in cash and cash equivalents and short-term and long-term marketable securities, a portion of which will be used to fund the Offer.

The Dealer Manager for the Offer is J.P. Morgan Securities LLC, and the Information Agent is MacKenzie Partners Inc. The Depositary is American Stock Transfer & Trust Company, LLC. The Offer to Purchase, Letter of Transmittal and related documents are being mailed to shareholders of record and also will be made available for distribution to beneficial owners of shares. For questions and information, please call the Dealer Manager or the Information Agent toll free at 1-877-371-5947 or 1-800-322-2885, respectively.

Taro's Board of Directors has approved the Offer. However, none of Taro, its Board of Directors, the Dealer Manager, the Information Agent or the Depositary is making any recommendations to shareholders as to whether to tender or refrain from tendering their shares or as to the purchase price or the purchase prices at which shares may be tendered into the Offer. Shareholders must make their own decisions as to how many shares they will tender, if any. In so doing, shareholders should read and evaluate carefully the information in the Offer to Purchase and in the related Letter of Transmittal.
