EXPLANATORY NOTE

Taro Pharmaceutical Industries Ltd. (“**Taro**” or the “**Company**”) hereby furnishes this amended Report of Foreign Private Issuer on Form 6-K/A (this “**Amended Form 6-K**”) in order to amend the Form 6-K that Taro furnished to the Securities and Exchange Commission (the “**SEC**”) on November 17, 2015 (the “**Original Form 6-K**”).

The following revisions to the proxy statement for Taro’s 2015 annual general meeting of shareholders (the “**Annual Meeting**”) that was appended to the Original Form 6-K (the “**Original Proxy Statement**”) are reflected in this Amended Form 6-K: (i) the deletion of the Original Proxy Statement Proposal 1 (investment in the construction of and the acquisition of a wind-powered electric energy project jointly with affiliates of the Company's controlling shareholder, Sun Pharmaceutical Industries Ltd.) (“**Original Proposal 1**”) and the renumbering of the remaining Proposals reflecting such deletion; (ii) the addition of compensation disclosure for the Company’s five most highly compensated office holders (as defined in the Israeli Companies Law, 5759-1999 (the “**Companies Law**”)) for the Company’s fiscal year ended March 31, 2015, which has been added to Proposal 1 of this Amended Form 6-K (formerly Proposal 2 (Reelection of Directors) of the Original Proxy Statement), under the heading “Office Holder Compensation in Fiscal Year Ended March 31, 2015”; and (iii) revisions concerning procedure for voting related to the removal of Original Proposal 1.

The deletion of Original Proposal 1 is due to the fact that Taro has decided not to pursue the wind energy project at the current time. The addition of the compensation disclosure to Proposal 2 has been made pursuant to Companies Law regulations that require that disclosure to appear in the proxy statement for the Annual Meeting. The revisions concerning voting procedure reflect the Company’s decision not to engage a proxy solicitation agent for the Annual Meeting, in light of the deletion of Proposal 1 from the agenda.

The proxy statement that is attached hereto as Exhibit 99.1 includes each of the above-described revisions. The proxy card that is attached hereto as Exhibit 99.2 (and which will be sent to the Company’s shareholders) has been updated to reflect the deletion of Original Proposal 1 and the deletion of the accompanying special majority voting requirements related to Original Proposal 1 under the Companies Law.

Shareholders are requested to disregard Original Proposal 1 in the Original Proxy Statement that was already printed and that will be mailed to them, as that proposal will not be voted upon at the Annual Meeting and therefore does not appear on the updated proxy card that is being printed and mailed to them. Shareholders should only vote on the remaining two proposals (Proposals 1 and 2, formerly Proposals 2 and 3 of the Original Proxy Statement) that appear in the updated proxy card.

Other than the foregoing revisions, the proxy statement and proxy card attached hereto have not been revised from the form in which they appeared as appendices to the Original Form 6-K.

PROXY STATEMENT

This Proxy Statement is furnished to the holders of ordinary shares, nominal (par) value New Israeli Shekel (“NIS”) 0.0001 each (“**Ordinary Shares**”) and of founders' shares, nominal (par) value NIS 0.00001 (“**Founders' Shares**”), of Taro Pharmaceutical Industries Ltd. (the “**Company**” or “**Taro**”) in connection with the solicitation by the board of directors of the Company (the “**Board of Directors**” or “**Board**”) of proxies for use at the annual general meeting of shareholders (the “**Annual General Meeting**” or the “**Meeting**”), or any postponement or adjournment thereof, pursuant to the accompanying Notice of Annual General Meeting of Shareholders. The Meeting will be held on December 24, 2015, at 10:00 a.m. (Israel time) at the offices of Meitar Liquornik Geva Leshem Tal, located at 16 Abba Hillel Road, Gallery Floor, Ramat Gan, Israel.

It is proposed that, at the Meeting, the following matters be considered:

* [Original Proposal 1 has been deleted from the agenda for the Meeting by the Company’s Board of Directors.]

1. To re-elect to the Company’s Board of Directors (the “**Board of Directors**”) each of Dilip Shanghvi, Subramanian Kalyanasundaram (known in industry circles as Kal Sundaram), Sudhir Valia, James Kedrowski and Dov Pekelman (who constitute together all directors of the Company who are not External Directors (as defined in the Israeli Companies Law, 5759-1999 (the “**Companies Law**”))), to serve for a one year term, until the close of the next annual general meeting of shareholders.
2. To re-appoint Ziv Haft Certified Public Accountants (Israel), a BDO member firm, as the Company’s independent auditors for the fiscal year ending March 31, 2016 and for the additional period until the close of the next annual general meeting of shareholders of the Company, and to authorize their remuneration to be fixed, in accordance with the volume and nature of their services, by the Audit Committee and/or the Board of Directors.

In addition to the foregoing agenda items, members of our management will be available to review and discuss our auditor’s report and consolidated financial statements for our fiscal year ended March 31, 2015.

We are not aware of any other matters that will come before the Meeting. If any other matters are presented properly at the Meeting, the persons designated as proxies intend to vote upon such matters in accordance with their best judgment and the recommendation of the Board.

Board Recommendation

Our Board unanimously recommends that you vote “FOR” each of the above proposals.

Who Can Vote

You are entitled to vote at the Meeting if you are a shareholder of record at the close of business on Monday, November 23, 2015. You are also entitled to notice of the Meeting and to vote at the Meeting if you held Ordinary Shares through a bank, broker or other nominee that is one of our shareholders of record at the close of business on November 23, 2015, or which appear in the participant listing of a securities depository on that date.

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC of Brooklyn, New York, you are considered, with respect to those shares, the shareholder of record. In such case, these proxy materials are being sent directly to you.

Quorum

As of November 10, 2015, we had 42,833,273 Ordinary Shares issued and outstanding. Each Ordinary Share outstanding as of the close of business on the record date (Monday, November 23, 2015) is entitled to one vote upon each of the proposals to be presented at the Meeting. Under our Articles of Association, the Meeting will be properly convened if at least three shareholders attend the Meeting in person or sign and return proxies, provided that they hold shares representing at least one-third (1/3) of our voting power. If a quorum is not present within half an hour from the time scheduled for the Meeting, the Meeting will be adjourned for one week (to the same day, time and place), or to a day, time and place determined by the Chairman of the Meeting (which may be earlier or later than said time). At such adjourned meeting the presence of any two shareholders in person or by proxy (regardless of the voting power represented by their shares) will constitute a quorum.

Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner attends the Meeting, but does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. It is important for a shareholder that holds Ordinary Shares through a bank or broker to instruct its bank or broker how to vote its shares, if the shareholder wants its shares to count towards the vote on a particular proposal.

Majority Required for Approval of Each of the Proposals

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting thereon (which excludes abstentions) is necessary for the approval of each of the proposals. Apart from for the purpose of determining a quorum, broker non-votes will not be counted as present and are not entitled to vote. Abstentions are not treated as a vote “FOR” or a vote “AGAINST” a proposal.

How You Can Vote

Shareholders of Record

If you are a shareholder of record, that is, your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, these proxy materials are being sent directly to you by our transfer agent. You can vote your shares by attending the Meeting, or by any of the following alternative means: completing and signing a proxy card; recording your vote over the Internet (at the website www.voteproxy.com); or submitting your vote over the telephone (by dialing toll-free 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from foreign countries). If you vote via the proxy card that has been mailed to you, please be certain to complete, sign and return it in the envelope that was enclosed with it. If you are a shareholder of record and have lost or misplaced the proxy card mailed to you, you may print a copy of the proxy card from <http://phx.corporate-ir.net>, and may complete and sign that proxy card (indicating the name of the record shareholder holding your Ordinary Shares) and return it to our solicitation agent, Bob Marese, Managing Director of MacKenzie Partners, Inc. at 212-929-5405 or bmarese@mackenziepartners.com. The solicitation agent, on our behalf, reserves the right to require further identifying information from you if you submit your proxy card in that manner. You may change your mind and cancel your proxy card by sending our solicitation agent written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the Meeting. We will not be able to count a proxy card unless we receive it at our registered Israeli offices at 14 Hakitor Street, PO Box 10347, Haifa Bay, 2624761, Israel, or our registrar and transfer agent receives it in the enclosed envelope, not later than 03:00 AM EST on December 23, 2015.

Shareholders Holding in “Street Name”

If your Ordinary Shares are held in a brokerage account or by a trustee or nominee, you are considered to be the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you together with a voting instruction form by the broker, trustee or nominee or an agent hired by the broker, trustee or nominee. Please follow the enclosed instructions to direct your broker, trustee or nominee how to vote your shares, including providing voting instructions through the Internet (at the website www.voteproxy.com); or submitting your vote over the telephone (by dialing toll-free 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from foreign countries). All votes should be submitted by 03:00 AM EST on December 23, 2015 (or such earlier deadline as may be indicated on the voting instruction form) in order to be counted towards the tally of Ordinary Shares voted at the Meeting. Alternatively, if you wish to attend the Meeting and vote in person, you must obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Meeting.

If you provide specific instructions (by marking a box) with regard to the proposals, your shares will be voted as you instruct. If you sign and return your proxy card without giving specific instructions with respect to a particular proposal, your shares will be voted in favor of the proposal, in accordance with the recommendation of the Board. However, if you are a beneficial owner of shares and do not specify how you want to vote on your voting instruction form, your broker will not be permitted to instruct the record shareholder of your shares to cast a vote with respect to that proposal (commonly referred to as a “broker non-vote”). Brokers that hold shares in “street name” for clients typically have authority to vote on “routine” proposals even when they have not received instructions from beneficial owners. The only item on the Meeting agenda that may be considered routine is Proposal 3 relating to the reappointment of the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2016; however, we cannot be certain whether this will be treated as a routine matter since our Proxy Statement is prepared in compliance with the Companies Law, rather than the rules applicable to domestic U.S. reporting companies. Absent specific instructions from the beneficial owner of the shares, brokers are not allowed to exercise their voting discretion, among other things, with respect to the election of directors. In that circumstance, the shares held by you will be included in determining the presence of a quorum at the Meeting, but are not considered “present” for the purpose of voting on the relevant proposal. Such shares have no impact on the outcome of the voting on such proposal. If your shares are held of record by a bank, broker, or other nominee, we urge you to give instructions to your bank, broker, or other nominee as to how your shares should be voted so that you thereby participate in the voting on these important matters. If you sign and return your proxy card or voting instruction form, the persons named as proxies will vote in their discretion on any other matters that properly come before the Meeting.

Revocation of a Proxy

Shareholders may revoke the authority granted by their execution of proxies at any time before the effective exercise thereof by filing with us a written notice of revocation or duly executed proxy bearing a later date, or by voting in person at the Meeting. Unless otherwise indicated on the enclosed proxy form, shares represented by the proxy will be voted in favor of the proposal and any other matters that may be presented to the Meeting, if the proxy is properly executed and received by the Company by 03:00 AM EST on December 23, 2015.

Solicitation of Proxies

Proxies are being distributed to shareholders on or about November 27, 2015. Certain officers, directors and employees, of the Company, none of whom will receive additional compensation therefor, may solicit proxies by telephone, email, or other personal contact. We will bear the cost for the solicitation of the proxies, including postage, printing, and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares. We may also retain a proxy solicitor in order to solicit proxies, for which we may pay a customary fee.

Voting Results

We will tally the final voting results based on the information provided by our transfer agent, proxy solicitor or otherwise, and the overall results of the Meeting will be published following the Meeting in a Report of Foreign Private Issuer on Form 6-K that will be furnished to the U.S. Securities and Exchange Commission (the “SEC”).

Availability of Proxy Materials

Copies of the proxy card, the notice of the Meeting and this Proxy Statement are available at the “Investor Relations” portion of our Company’s website, at <http://phx.corporate-ir.net>. The contents of that website are not a part of this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

For purposes of the table below, we deem shares subject to options or warrants that are currently exercisable or exercisable within 60 days as of November 10, 2015, to be outstanding and to be beneficially owned by the person holding the options or warrants for the purposes of computing the percentage ownership of that person but we do not treat them as outstanding for the purpose of computing the percentage ownership of any other person. The percentage of shares beneficially owned shown below is based on 42,833,273 Ordinary Shares outstanding as of November 10, 2015.

Except where otherwise indicated, we believe, based on information furnished to us by such owners, that the beneficial owners of the Ordinary Shares listed below have sole investment and voting power with respect to such shares.

ORIGINAL PROPOSAL 1
[PROPOSAL REMOVED FROM AGENDA BY THE COMPANY'S BOARD OF DIRECTORS]

PROPOSAL 1 (FORMERLY PROPOSAL 2)
RE-ELECTION OF DIRECTORS

Background

Under the Companies Law and our Articles of Association, the directors of the Company (other than the External Directors, who serve three-year terms pursuant to the requirements of the Companies Law) are elected at each annual general meeting of shareholders. The elected directors commence their terms from the close of the annual general meeting at which they are elected and serve in office until the close of the next annual general meeting, unless such directorship is earlier vacated in accordance with the provisions of any applicable law or regulation or under our Articles of Association.

At the Annual General Meeting, it is intended that proxies (other than those directing the proxy holders to vote against the listed nominees) will be voted for the re-election, as directors of the Company, of the five nominees named below who shall hold office from the close of the Annual General Meeting and serve in office until the close of the next annual general meeting of shareholders, under the same terms of remuneration approved by the Audit Committee, the Compensation Committee, the Board of Directors and the annual general meeting of shareholders that took place on July 25, 2013, and by the extraordinary general meeting of shareholders that took place on March 27, 2014, unless such directorship is earlier vacated in accordance with the provisions of any applicable law or under our Articles of Association.

The list of nominees, all of whom are currently directors, is as follows:

1. Dilip Shanghvi
2. Kal Sundaram
3. Sudhir Valia
4. James Kedrowski

The Companies Law requires that a person will not be elected and will not serve as a director in a public company if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her position as director of the company, taking into consideration, among other factors, the special needs and size of the company. The election of a director nominee at a general shareholders meeting of a public company may not be proposed unless the nominee has declared to the company, *inter alia*, that he or she complies with the above-mentioned requirements and details of his or her applicable qualifications are provided.

Each of the proposed nominees has declared to the Company that he complies with the required qualifications under the Companies Law for appointment as a member of the Board of Directors of the Company, detailing his applicable qualifications, and that he is capable of dedicating the appropriate amount of time for the performance of his or her role as a member of the Board of Directors of the Company.
