The Company's independent directors are presently Ben Zion Hod and Haim Fainaro, who were elected by the shareholders in 2003 for initial three-year terms ending on July 31, 2006 and August 28, 2006, respectively. Therefore, following the adoption of the Resolution set forth below, the Company's Board of Directors will be comprised of a total of 10 directors.

The affirmative vote of the holders of a majority of the voting power of the Company represented at the meeting in person or by proxy and voting thereon is necessary for approval of this Resolution.

ITEM 4 -- AMENDMENT OF THE COMPANY'S 1999 STOCK INCENTIVE PLAN

The Company is required under the Israel Companies Law to have at least two independent directors who meet specified qualifications for independence. The Company's independent directors are presently Ben Zion Hod and Haim Fainaro.

Prior to recent amendments to regulations promulgated under the Israel Companies Law, it was not permissible to grant stock options to a company's independent directors. With the amendment of certain regulations, a company may now grant options to an independent director provided that, among other conditions, the independent director is informed of the terms of the option grants prior to agreeing to serve as the company's independent director and the terms of such grants do not change during the independent director's term of office.

Pursuant to such amended regulations, it was agreed with the Company's independent directors, prior to their agreement to serve, that each would receive an agreed number of options to purchase Ordinary Shares of the Company. Such grants are subject to the approval by the shareholders of an amendment to the Company's 1999 Stock Option Plan (the "Plan") which currently does not allow the Company to grant stock options to independent directors.

To implement the Company's agreement with the independent directors, it is necessary to amend the Plan. The Company's Audit Committee and Board of Directors have approved the proposed amendment to the Plan and the Board of Directors will present the following Resolution at the Annual General Meeting:

"RESOLVED, that the Company's 1999 Stock Incentive Plan (the "Plan") be amended as follows:

1) by deleting the phrase "other than an Identified Public Director" in the last subparagraph of Paragraph 4 of the Plan;

2) by amending Paragraph 20 of the Plan by:

1. (a) deleting subparagraph (e), which defines an "Identified Public Director," in its entirety; and

2. (b) deleting the phrase "and is not an Identified Public Director" in subparagraph (g) thereof.

In all other respects, the Plan as amended remains in effect."

The affirmative vote of the holders of a majority of the voting power of the Company represented at the meeting in person or by proxy and voting thereon is necessary for approval of this Resolution.

ITEM 5 -- APPROVAL OF STOCK OPTION GRANTS TO
THE COMPANY'S INDEPENDENT DIRECTORS

The Company is required under the Israel Companies Law to have at least two independent directors. The Company's independent directors are presently Ben Zion Hod and Haim Fainaro, who were elected in 2003 for three-year terms.

Under the Israeli Companies Law and applicable regulations and subject to certain conditions, the Company may grant stock options to its independent directors. The Company wishes to grant to each of the independent directors stock options to purchase a total of 4,000 Ordinary Shares of the Company at an exercise price of \$48.90 per share representing the fair market value of the Ordinary Shares at the time of the grant, as was agreed with the independent directors prior to their agreeing to serve.

The Company's Audit Committee and Board of Directors have approved the grant of the stock options to the independent directors.

If Item 4 above is approved by the shareholders and the Plan is amended to allow for stock option grants to independent directors, the Board of Directors will present the following Resolution at the Annual General Meeting:

"RESOLVED, to approve the grant of stock options under the Company's 1999 Stock Incentive Plan to each of Ben Zion Hod and Haim Fainaro to each purchase a total of 4,000 Ordinary Shares of the Company at an exercise price of \$48.90 per share, with the remaining terms and conditions as customary for grants to directors who at the time of grant are not employees of the Company or any of its subsidiaries."

The affirmative vote of the holders of a majority of the voting power of the Company represented at the meeting in person or by proxy and voting thereon is necessary for approval of this Resolution.
